

Touch-a-Truck

At the Big T Family Bash

Saturday, October 25th, 2025

10 am – 2 pm

Freestone County Fairgrounds

The Golden Circle Special Needs Association (GCSNA) is excited to host Touch-a-Truck to raise funds to support kids in the surrounding communities. We need your help to make this event successful.

We are asking local individuals and businesses to donate their time to have their trucks or vehicles on display during this event.

Ambulances, track hoes, dozers, tractors, tow trucks, fire trucks, anything that little kids would love to touch!

How does it work? You or someone on your staff would bring the vehicle(s) to be displayed to the Freestone County Fairgrounds on Saturday, 10/25/2025. This person would park the vehicle in a designated area and *remain with the vehicle* during the duration of the event to answer any questions and to help ensure everyone's safety.

How long will the event last? The event will begin at 10 am. All vehicles need to arrive on-site by 9 am in order to have time to get them situated in our designated area. The event will conclude at 2 pm and we will allow vehicles to leave once we have cleared the area of attendees.

Is there any liability? The Big T Family Bash, GCSNA, the City of Fairfield, and the County of Freestone are not responsible or liable for any accidents that may occur. Our staff will be monitoring the event and will do what we can to ensure that it is a safe and fun environment!! It will be your responsibility to check with your insurance carrier to determine if you have the correct coverage.
